As Others See Us

"O wad some Pow'r the giftie gie us
To see ourselves as others see us!
It wad frae monie a blunder free us
And foolish notion!
What airs in dress an' gait wad lea'e us,
And ev'n devotion!"

—Robert Burns

These simple lines written in 1780 by the Scottish poet, Robert Burns, seem to the Nautilus Staff to have a particular implication today, almost two hundred years later. We were especially impressed by the idea stated by Burns that in seeing ourselves as other see us we would be free from many uncertainties, blunders, and foolish notions. In addition there are many students who now, because they conform so strongly to group ideals, have lost their individuality, integrity, and moral responsibility.

An uncluttered, self-analytical look at themselves would make our Samohi students develop into the type of young people we shall need to govern our democracy in the Atomic Age.

Dayna Judd

Editor

PRINCIPAL

To the Class of 1963:

I am proud of you and your accomplishments. I feel particularly close to you, since many of you were my friends before you came to Samohi. Many of our conversations together have stressed the importance of our activities and attitudes in this community. I was, therefore, pleased when you chose as the theme for this book those wonderful lines from a Robert Burns poem, "Would that we could see ourselves as others see us."

It is my hope that Samohi has helped you to achieve the ability for critical analysis. To be honest with one's self, to stand up in a group and fight for one's own integrity are the marks of a truly matured individual. There are no shortcuts to being honest and decent. There are no quick methods of becoming successful. All that is good and true and worthy must be earned by courageous effort. It is my hope that Samohi has started you along the path of individual integrity, and you have become the kind of person of whom Samohi can be proud.

Good luck to you all in the future! Along with Ralph Waldo Emerson, let me say to you, "Hitch your wagon to a star." Set your goals high, and by hard work and determination build foundations under your castles in the sky.

Our A.S.B. Cabinet is the central governing body of Samohi. This semester it was noticed that a tremendous amount of cooperation and coordination was again necessary to schedule student activities with Samohi's population near 3,000.

Under the leadership of Frank Nishimura, President; George Kampe, Vice-President; Lynn Margailan, Secretary; Diana Dorr, Speaker of the House, and Ian Clancy, Yell King, Blue and Gold day and homecoming were great successes.

Congratulations to the cabinet for a job well done!

FALL HISTORY

In September, 1960, a class of approximately one thousand students started its first year at Samohi as sophomores in a new decade. Mr. Robert Kaeffel was appointed sponsor of the class and Frank Nishimura was elected president. Assisting Frank were Phyllis Thomas, Vice-President; Kitty Paltnavich, Secretary; and Lynette Margaulan, Treasurer. The main concern of the class was raising money. A very successful car wash was one of the activities.

As Juniors the class elected Ken Riggins as President in September, 1962. This proved to be one of the busiest semesters. The class was given the traditional duty of organizing the Senior Prom. Other officers for the semester were Steve Shelton, Vice-President; Diane Smith, Secretary; and Margie Burke, Treasurer.

The first half of the Senior Year started off under the dynamic leadership of Bill Duval, President, aided by Margie Burke, Vice-President, Sue Butler, Secretary, Jack Hinds, Treasurer. Immediate goals were the choosing of locations for Graduation Night, the Senior Banquet, and the selection of our traditional Senior Play.

Jack Hinds, President; Wendy Kevers, Vice-President; Nicky Rodnuck, Secretary;
Adeline Mentzer, Treasurer

SPRING HISTORY

The Senior Class of 1963 got off to an auspicious start in Spring of 1961. Sophomore A President John Bell, along with Janice Harrington as Vice-President, Secretary, Lita Albuquerque; and Wayne Anthony, Treasurer, guided the affairs of the class and participated in Fiesta Day.

A year later the same class became experienced Juniors under the leadership of Frank Nishimura, President, John Reatty, Vice-President; Secretary, Phyllis Thomas and Scott McGregor, Treasurer. This class was busy organizing the Senior Prom which was held at the Riviera Country Club.

As mighty Seniors, under the leadership of Jack Hinds, President; Wendy Kevers, Vice-President; Nicky Rodnuck, Secretary; and Adeline Mentzer, Treasurer, the class of 1963 continued its excellent job. Their many activities included the Senior Banquet and Grad Night at Disneyland.

A.S.B. CABINET

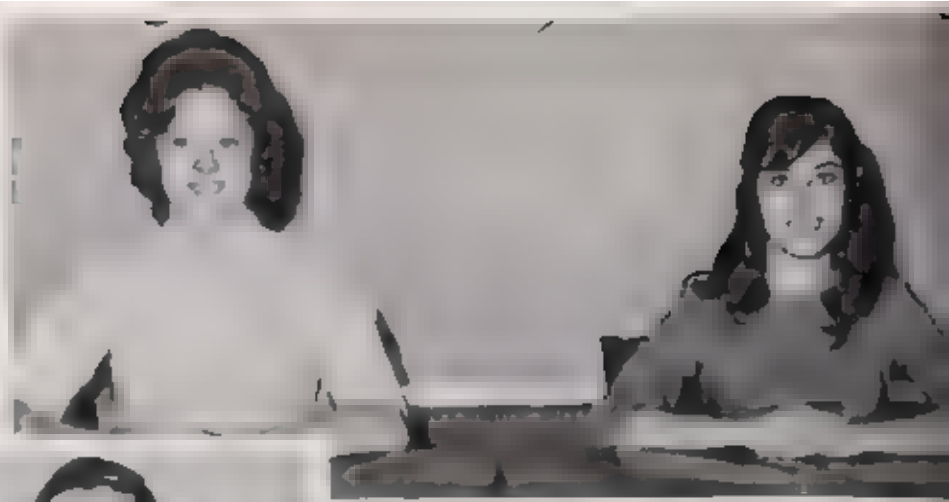

After going through a successful first semester the Associated Student Body for a trip took over and did many accomplishments to its credit.

The cabinet sponsored this year's Sports Day which was a know what to do for the students went to pass. Also the cabinet sponsored the Spring Sports Assembly where the Spring Sports Queen was crowned. Last spring night the entire student body met at school to a flag, flag, volleyball and other sports. This was the first time Sanohu ever held a Sports Night and we hope it will be an interesting affair.

This year the varsity club, in its first year of existence, has sponsored many activities. During the fall semester under the leadership of President Tim Gaudio the club put on an after game dance and the donkey basketball game. They also were in charge of the fall sports banquet.

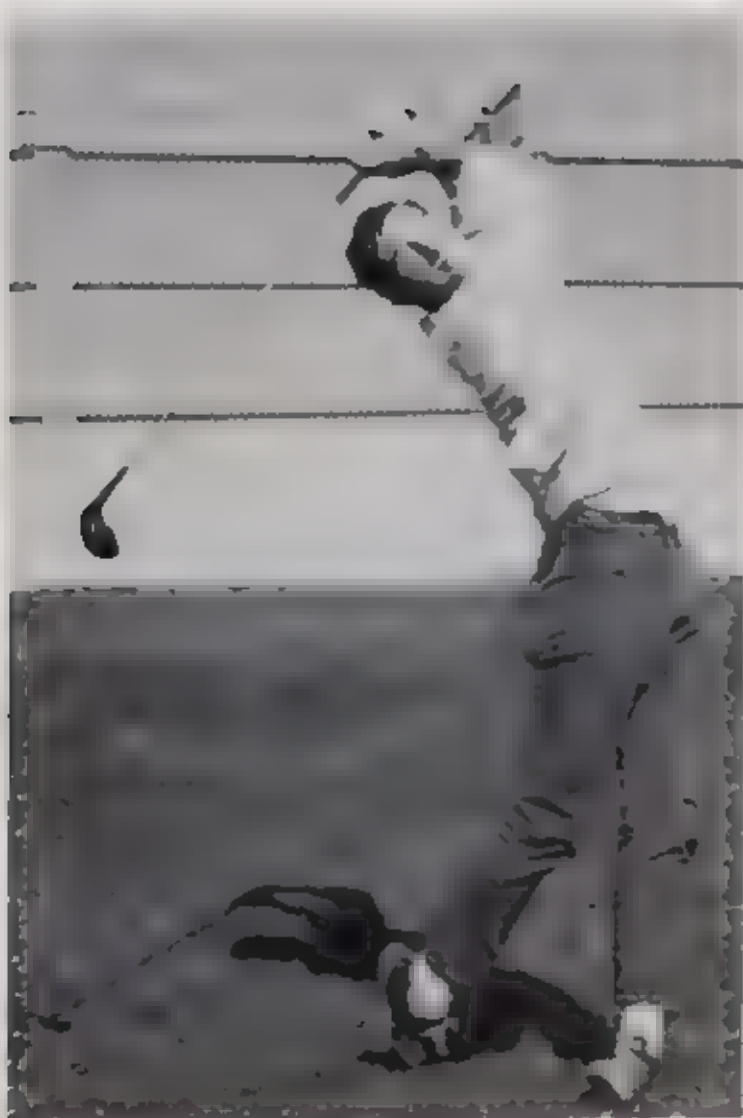

In the spring semester Charlie Clark was elected president. Under his direction the club carried out two sports award banquets, the Sports Night and a County Fair Day Booth.

The Donkey Basketball Game was one of the most humorous events of the year.

Anyone who likes to talk or debate belongs in Forensics. Fifteen speech tournaments were held this year and Samohi students came out tops in each one.

This year the Forensics held a Novice Tournament at Samohi with Samohi taking many honors. The final tournament which every member strives for is the State Tournament held April 26 and 27.

Steve Martin carries on a discussion of the slides just shown on Russia

The International club was founded three years ago and has since been one of the most active clubs on campus. On Blue and Gold Day they won first place for the best decorations on campus. They also did their share to promote the Christmas Cheer Drive.

The main purpose of the club is to familiarize students with other countries. Foreign students at San Jose are given a chance to talk about their country at the meetings and they also learn more about America. Mr. Pat Herrera, Spanish teacher, sponsors the club.

Runa Holm, *Norway*

Dear Samohi Students and Faculty,

My year here in Santa Monica is the happiest year I have ever had. You gave me the opportunity to come here, to get acquainted with you all, our Samohi, and the best city in the United States.

My picture of Santa Monica is like a Golden Place in a Golden State. In this Golden Place there live about 85 000 nice and friendly people. They all helped me, each in his own way, through the whole year.

Between the ocean, mountains, and Los Angeles, Santa Monica lies with its clean streets and buildings. At 601 Pico Blvd. I see the ocean as far as my eyes can look. Here our Samohi is. I am still surprised and I will always be to find a school over three blocks square. I was told the school was fifty years old. I cannot believe it. Samohi looks like one-day old with its shining, yellow buildings, and its perfect administration.

The sound of the Samohi-song, "Oh Samohi, Dear old Samohi, Queen of the setting sun . . ." will always ring in my ears when I go back to Norway — and forever.

For all this I thank you all, Students, Faculty, and my wonderful family here in Santa Monica. I thank you all for the best year of my life — my Samohi year.

With love to you all from

Gary Rutz, *Switzerland*

Dear Friends,

Thank you all very, very much for this great, wonderful experience you gave to me. I especially thank the administration and the students of Samohi, the American Field Service and the wonderful family I lived with. If I could tell you how much I loved living here among you wonderful people!

I am proud of having attended Samohi. I shall always remember the exciting football games, the lovely Sergranettes, the strapping marching band, and the colorful assemblies.

I am proud of having your friendship. I know that we shall never forget each other. I am looking forward to seeing all of you again. You are always welcome at my home in Switzerland.

Saying goodbye to you makes me very sad. Leaving now completes a milestone in my A.F.S. task. I go home and acquaint my Swiss people with you and America. I want you to know that this will be a great pleasure for me.

With my best wishes to all of you,

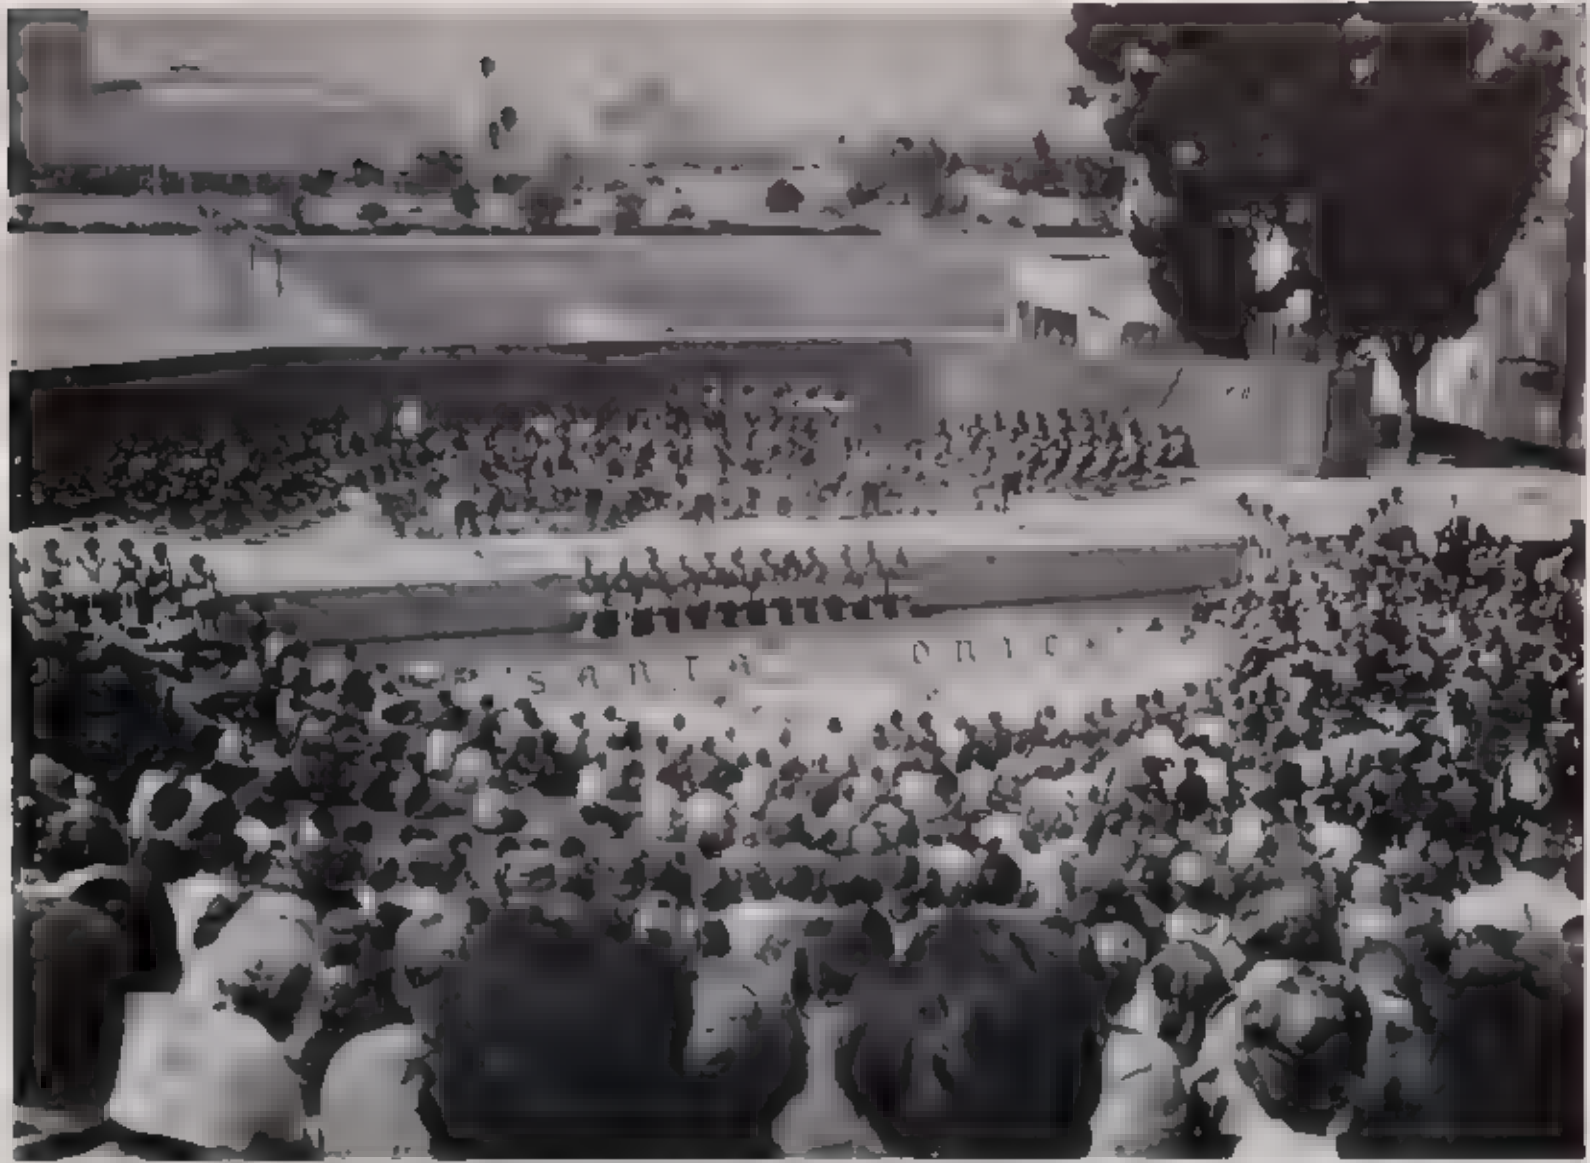

GARY RUTZ

GIRLS' ATHLETIC ASSOCIATION

During the last period of each day the G.A.A. girls are working energetically on the field in the various sports. This year our G.A.A. hosted the annual Bay League Volleyball Play Day. With the lively Song and Yell Leaders to inspire them, Samohi placed first among the other eight schools. They held many interesting activities for the students with a hilarious volleyball game matching the wit and skill of the teachers against the students. The game never-to-be-forgotten was the Flag Football game between the G.A.A. Board and the Sergeantette Fronts in which they tied, zero to zero.

The G.A.A. was not all play; they worked laboriously painting the Greek Theatre pool, selling various delicacies, and decorating Greek Theatre for Blue and Gold Day.

Leading the year's activities were Jacque Green, President; Tom Littlejohn, Vice President; Kitty Dixon, Corr. Secretary; Delonna Eyer, Rec. Secretary; Carol Noonan, Treasurer; Nancy McIssac, Publicity; Carol Prismon, Sports Spree Manager; Dayna Judd, Card Section Chrm.; Laurie Ruby, Head Yell Leader, assisted by Heather McNeil, and Jane Cowell; and Diana Dorr, Head Song Leader; assisted by Sue Strauss, and Sandi Thompson.

The SAMOHI

Mr. Dimas, *Advisor*, and Laurie Ruby, *Editor*, look over this week's paper for any changes.

Making layouts, assigning stories, gathering information, and meeting deadlines are only a few of the duties of the members of the SAMOHI staff.

The editors and their staff spend each fifth period of the day gathering news and writing stories for publication in the weekly paper.

According to both of this year's editors, the goal of the staff is to bring accurate and timely news of both school and community to the readers. The staff's chief ambition: to regain the All American title.

FALL DELIANS

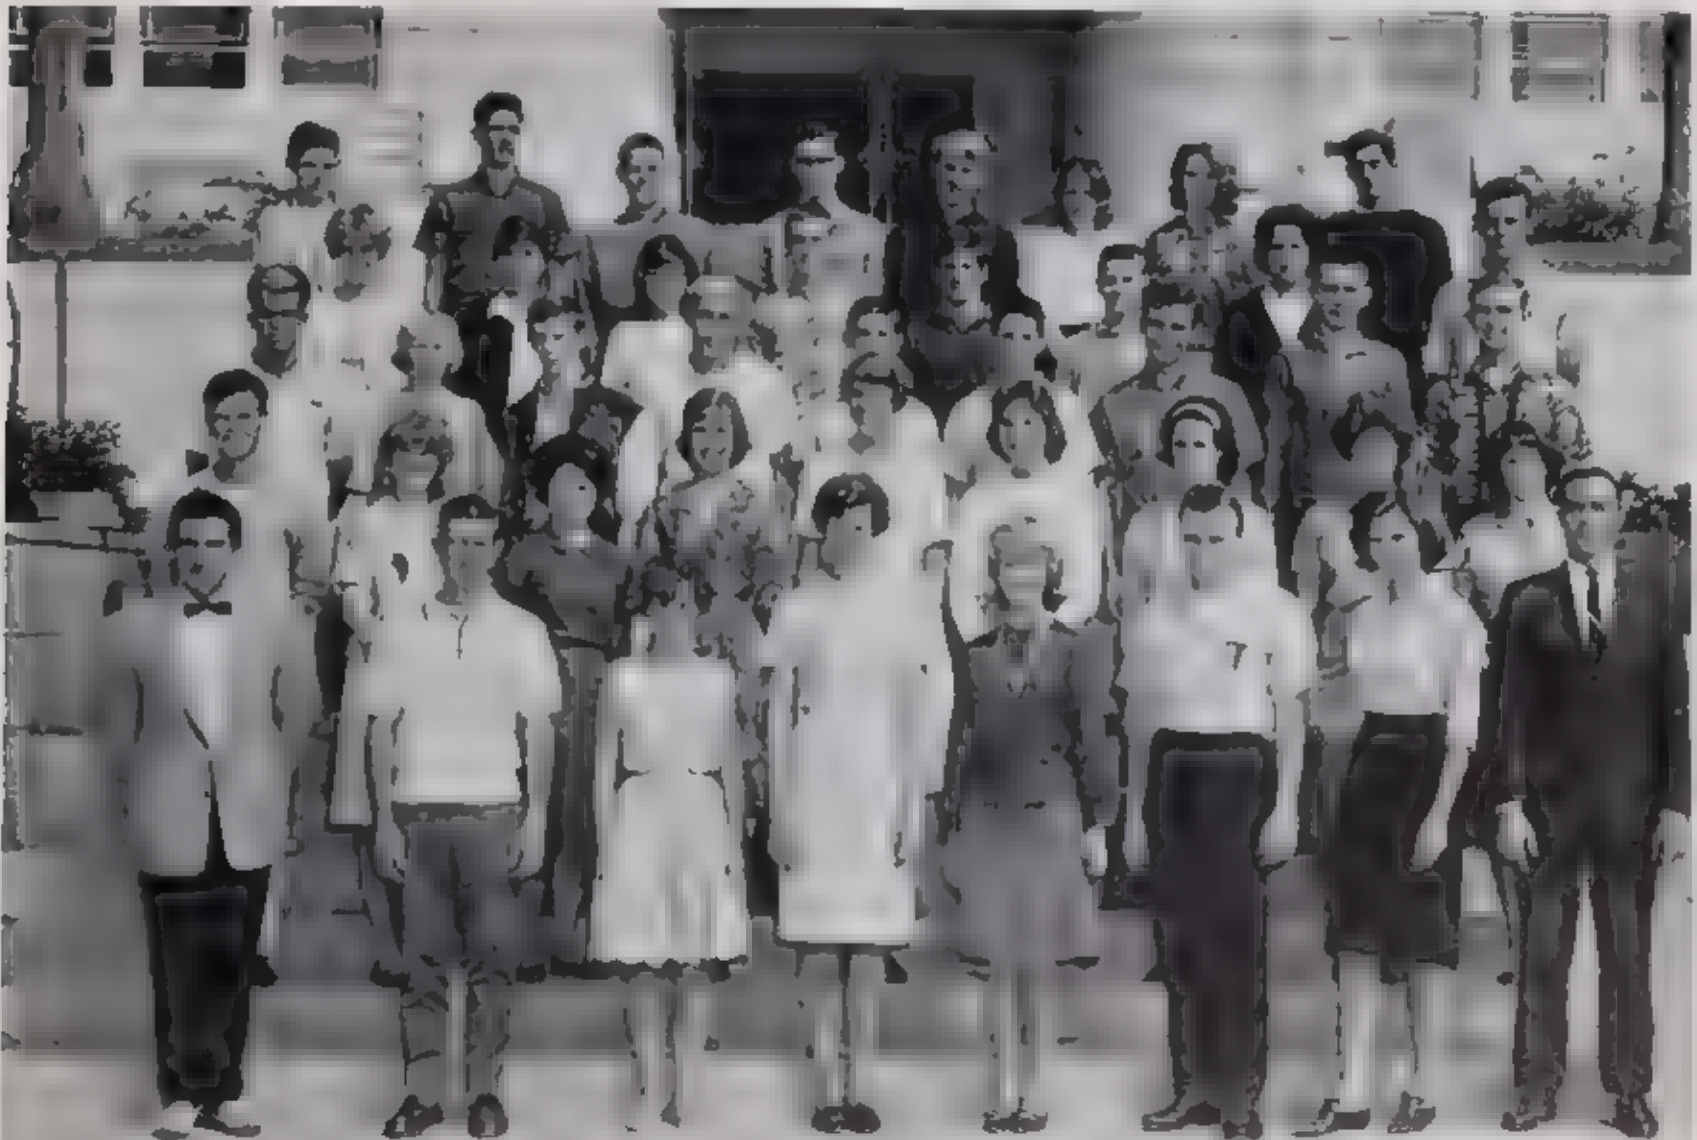

"Delians" is Samohi's chapter of the California Scholarship Federation. Samohi's intellectuals are chosen by earning three A's and one B in full credit subjects. The Delians enjoyed their traditional off-campus day at Disneyland with a day of fun and frolic long remembered. Under the leadership of Pete Weisner, President; Scott MacGregor, Vice-President; Kitty Dixon, Corr. Secretary; Margaret French, Rec. Secretary; Ann Wallace, Treasurer; and Bob Brent, Comm. of Scholarships, the Delians sponsored the dance after the Las Vegas football game. They carried on an extensive tutoring program helping their fellow students in every area needed. Mr. Forrest Freed and Mr. Bernard Roberts serve as advisors for the organization.

'61-'62 SERENADERS

The sensational Semo Serenaders entered a *Battle of the Bands* which was held in 1961 at the following place. The competition was stiff with over 60 schools participating. The Serenaders, under the direction of Mr. Waggon, won first place in their area and placed second in the overall contest. The Serenaders were nosed out by a band from Long Beach.

We are proud of our Serenaders for being one of the top dance bands in Southern California and Jeff M. Night, who was selected as the outstanding drummer of all the bands.

Seniors girls took the day off on March 19 to visit the various businesses in the Santa Monica area, which included elementary and junior high schools, hospitals, modeling agencies, airline agencies, and many other organizations.

A luncheon, held at the Miramar Hotel, completed the wonderful day. Guest speakers were presented by the Business and Professional Women's Club.

On February 2, 1963, the Sergeanettes presented their annual Sergeanettes' Ball. Malaguena represented the theme of the Ball.

The decorations were in accordance with the theme. Crepe paper streamers in shades of red were extended from the ceiling to the far corners of the gym. Red roses were depicted on the walls and on the crepe paper. Music for the dance was supplied by Keith Williams. The band played from a rose, decorated Gazebo.

Honored guests of the ball were Mrs. Lila Hutton and Mr. Donald Siffert who climaxed the evening with the crowning of the King and Queen.

Senior Play

A Musical Comedy, "Good News," was chosen as this year's Senior Play. The plot takes place at Tait College where Tom, Captain of the football team, can't play in the big game unless he passes his astronomy exam. He asks his girlfriend, Pat, to tutor him but she can't do it so she sends her cousin, Connie. Tom falls in love with Connie and can't concentrate on his astronomy. He fails the test but Professor Kenyan passes him for school spirit. The big game arrives and Tait is losing. Bob Randall, who has never been sent into play, finds he has to go in for an injured man. Tom fumbles the ball and Bob picks it up and stumbles into the end zone. Tait wins the game, and the girls, Connie and Babe, win the boys.

ROBERTS ART GALLERY

"Hmmm... Proportional!"

A unique Samohi tradition is the school's Art Gallery—the only one to our knowledge that is an integral part of the school life and curriculum.

Founded in 1937 under the superb guidance of Mrs. Josephine Seaman Roberts, Samohi's fine Art Department Chairman, the Art Gallery had expanded to such a degree that it fast became a cultural center of the Bay Area.

A part of Samohi's recent re-construction and remodeling was designated as the New Art Gallery and Art Department and was solemnly dedicated to Mrs. Roberts on September 18, 1962.

Much of the past success of our Art Gallery was due to the hard work and unfailing faith of Mrs. Lucille Brown Greene, now an Art Instructor at Santa Monica City College (whose paintings were on display in the new gallery dedication night) and Mrs. Nanon Ohman, now our Art Department Chairman.

Both of these dedicated teachers were honored at the Dedication Reception which more than 200 people attended.

An interesting exhibition schedule for the new Roberts Art Gallery has been announced.
